Get Involved with NATT

NATT's membership and influence is growing. With the goal to ensure that people suffering from thrombosis and thrombophilia get early diagnosis, optimal treatment, and quality support, NATT members are committed to fostering research, education, support, and advocacy on behalf of those at risk of, or affected by, blood clots. If you would like to get involved with NATT, please send an email to nattinfo@yahoo.com or visit our website at www.nattinfo.org
